\*As set forth in Section D below, all numbered Limited Common Element parking stalls and parking areas not otherwise identified in the table above as a Limited Common Element to a specific Unit are Limited Common Elements appurtenant to Rycroft Residential Unit No. 4401R.

**A. Layout and Floor Plans of Units.** Each Residential Unit has the number of bedrooms and bathrooms noted above. The layouts and floor plans of each Unit are depicted on the Condominium Map. None of the Units have a basement.

**B. Approximate Net Living Areas.** The approximate net living areas of the Units were determined by measuring the area between the interior finished surfaces of all perimeter and party walls at the floor for each Unit and includes the area occupied by load bearing and nonloadbearing interior walls, columns, certain ducts, vents, and shafts, and the like located within the Unit's perimeter walls. All areas are not exact and are approximate based on the floor plans of each type of Unit.

**C. Common Interest.** The Common Interest for each of the one thousand two (1,002) Units (including both the Commercial Units and the Residential Units) in the Project is calculated based on dividing the approximate net living area of the Unit by the total net living area of all the Units in the Project. In order to permit the Common Interest for all Units in the Project to equal exactly one hundred percent (100%), the Common Interest attributable to Commercial Unit L-101 was increased by 0.000001 %.

**D. Parking Stalls, Parking Areas, and Storage Rooms.** The Condominium Map depicts the location, type, and number of parking stalls in the Project. Parking Stall Nos. 2-124 through 2-141, inclusive, 2-147 through 2-163, inclusive, and 2-175 through 2-188, inclusive, are Limited Common Element guest stalls appurtenant to all Residential Units. Each Residential Unit has at least one (1) Limited Common Element parking stall as identified in the table above. Other numbered Limited Common Element parking stalls and parking areas not otherwise identified above as a Limited Common Element to a specific Unit are Limited Common Elements appurtenant to Rycroft Residential Unit No. 4401R. All storage rooms identified on the Condominium Map as Unit Limited Common Elements are appurtenant to Rycroft Residential Unit No. 4401R unless otherwise identified in the table above as a Limited Common Element to another Unit. Developer has the reserved right to redesignate such parking stalls, parking areas, and storage rooms currently designated as Unit Limited Common Elements appurtenant to Rycroft Residential Unit No. 4401R to other Units in the Project as Unit Limited Common Elements appurtenant to such other Units.

**E. Other Unit Limited Common Element Areas.** All Unit Limited Common Elements depicted on the Condominium Map as appurtenant to a Residential Unit(s) but not specifically assigned to a Residential Unit(s) herein or on the Condominium Map are appurtenant to Rycroft Residential Unit No. 4401R.

**II. Class Common Interest.**

**A. Residential Unit Class Common Interest.** The following listed units are Residential Units for purposes of the Declaration.
